

# Jonah's Year at Ness

Update 1 17/10/2017

## September

Hello Family & Friends

I just want to take a quick moment before I start my update to thank all of you for your past support and prayers for when I went on my Mission trip to Copper Island with Auxano and again when I decided to get baptized this summer. It really means a lot to me and I can never thank you all enough but I sure will try.

and run several of its own retreats, and works on improving their buildings and other projects. So as one of the Year Round Crew I do a lot of odd jobs like cleaning gutters, sorting AV cables, and landscaping as well as doing setup and teardown before and after groups. I also have had the opportunity to host a couple

So for those of who don't know I am currently living at Ness Lake Bible Camp in Prince George. I have been here for a Month so far working as a member of their Year Round Crew team. Throughout the winter Camp hosts dozens of rental groups,

rental groups this past month which was a really amazing experience. I have really enjoyed my time here so far and I am looking forward to the next eleven and all the opportunities that they will offer. I am especially excited for some

## Please Pray For

- That I would find a church that I can get plugged into, and serve on a regular basis.
- That I would make lots of long-lasting friendships out here.
- That I will get used to living on my own.
- Also that I will get involved in my local community and not feel too isolated out at camp.

of the training I will receive like getting trained on the Skid Steer, driving the snow plow, getting my PAL and CORE, and also taking a correspondence course through Prairie Bible College.

I am looking forward to this next month in particular as I am hoping to

get involved with a Church in Prince George as a sound tech. And potentially serving with a youth group of with YFC, though I am not sure what that all will look like yet. But I am just trusting in God that he will connect me with the right people so that I can carry out his will for me out here both at Ness Lake Bible Camp

and within Prince George itself.

I would really appreciate prayer that I will continue to remain open to God's will for me. As I settle into life out here at Ness Lake and Prince George
