A full kitchen is located off the Great Room. Other features include a second meeting area, two additional gas fireplaces and in-floor heating on the lower level.

The spacious bedrooms offer privacy and comfort. Two bedrooms with ensuites plus six bedrooms with shared washrooms accommodate up to 8 couples or small groups of up to 18 people. Family groups of up to 26 persons (family style) can also be accommodated.

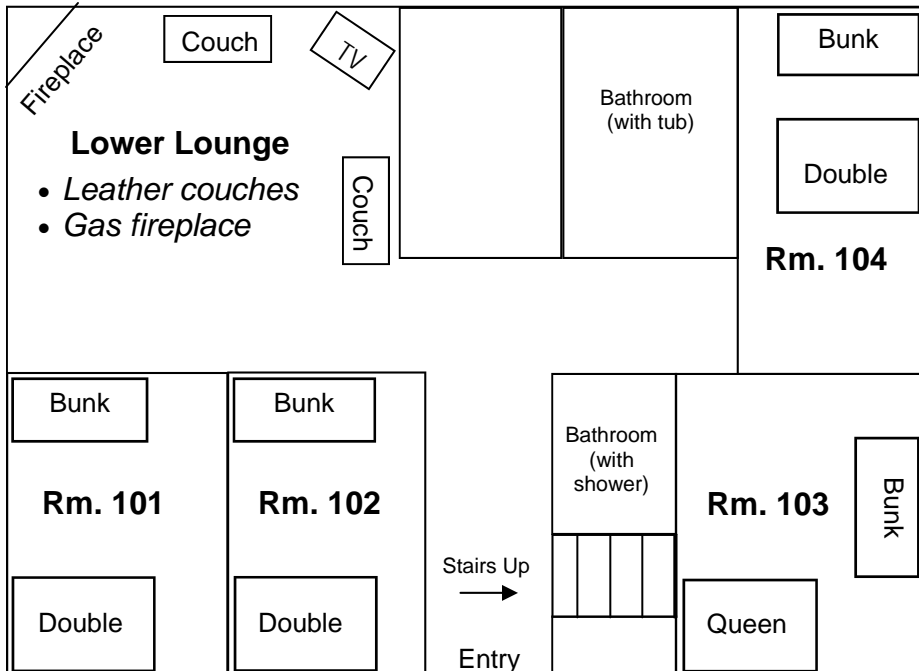

Food Service:

Small groups booking the Founders Cottage will be expected to provide their own food service using the fully equipped kitchen in this building. However, if those using the Founders Cottage are part of a group that is renting the entire facility (25 or more people), food service packages are available and guests will be served in the Dining Hall. Special arrangements may be made to provide catering for small groups. Please contact Guest Services directly at guestservices@nlbc.bc.ca.
