Prayer Requests

1. That God will continue to challenge me in my walk with him.
2. For continued unity as a team out here, that God will give us love and grace toward one another.
3. For the groups that come out here, that they will be able to feel God's love for them as they stay here at NLBC

As a group out here we pray every Monday to Friday morning, so if you guys have prayer requests for me I would love to pray for you. If you do not want me to share them with the group I will not do that.

Hello Friends and Family, I am so privileged to be part of Ness Lake Bible Camp Year Round Crew for the next year, and hopefully longer. In the summer I was a cabin leader, a little bit of maintenance and also stepped in for a bit as a work crew boss. During the summer I had a lot of opportunity to talk to kids about Christ and how to live and grow in your faith with Christ. It is a lot different from working in the construction industry where the atmosphere was 'make as much money as you can, give to charity, maybe, and have all the latest toys.' But that is no longer what I believe that God wants me to do with my life. In Luke 10:2 it says that "the harvest is plentiful but the workers are few", I believe that God is calling me to work at NLBC to help with the harvest. One passage of scripture that is close to my heart is Romans 12:9 - 21, it talks about what a Christian walk with God looks like, and how we are to treat others in our life. My duties at Ness Lake Bible camp are hosting rental groups that come in and cleaning the buildings that are being used for the rentals. I have been helping out with maintenance when I am able to. I will be covering for Patrick on maintenance when he goes away for a month for training and vacation. NLBC is also putting us through a Bibliology course once a week, which we started in late October, and it is very interesting. I am very excited to see where God is taking me on the journey and really appreciate all you prayer and support for me out here!

It is with great enthusiasm that I write this letter of endorsement to you on behalf of Joseph Klassen. As a member of our Year Round Crew, Joseph's primary role is to assist as and where needed around camp. This includes cleaning, hosting and facilitating rentals, and working on the physical property and maintenance needs. As a staff team, we have been greatly encouraged and supported by the Year Round Crew as they serve alongside us with enthusiasm and diligence here at NLBC. Joseph needs prayer support, financial support, and a group of people who are committed to encouraging him as he works to advance the Kingdom of God through Ness Lake Bible Camp. All donations to camp are tax deductible and we issue tax receipts in late January of each year. If you wish to financially support Joseph as he ministers here please use slip below, or call the camp office at (250) 612-4673. Thank you for your consideration, and support of Joseph.

If you would like to support Joseph's ministry of NLBC please complete this form and return with your gift.

A note from the camp leadership

As the camp goes through the transition of a Facilities Manager and a Director we are so blessed to have the help of Year Round Crew. The skill sets, personalities and work ethic of these individuals have carried us through 2 months busy rentals as well as our own events. Our desire is to equip and empower them with fund raising training, Bible courses, as well as other training and certification (food safe, boat license, etc.). As they have been such a gift to us I would ask that you consider coming on board and supporting them through prayer and financial help. As we continue to share the Gospel with kids and families this year, know that the Year Round Crew has made this possible, and that they have sacrificed much to be here this fall.
