

Dear family and friends,

I write to you from Ness Lake Bible Camp, the ministry point I have had the pleasure to serve at for the last couple of summers. It excites me to inform you of the opportunity my wife and I have to work in a year round position as we seek to follow God's calling for our lives in camp ministry. We have been given an amazing chance to serve Him here at camp in a variety of ways, bringing many different challenges and joys. With that in mind, we are excited to see all He has for us as this fall season gets started, and we start to settle here within this ministry.

My responsibilities will change quite a bit here. Throughout the past couple summer I spent all my time with campers and staff under the title of Head Leader. This role was directly involved with the people that help operate this camp during the summer season. However, when I started in September I received the new title of Year Round Crew. The camp put me through training that equipped me to host rental groups – accommodating as best as I can, clean the facility, cook food and countless other facets of the upkeep of Ness Lake Bible Camp. It's been awesome to apply the training I received. It has challenged me to push passed my comfort zone and even humbles me to serve others in ways that aren't always enjoyable – cleaning toilets for example. Regardless, it's been a joy to take this step and grow as I serve in different ways.

In other news, Halla and I are doing well as we settle into our tiny house here on the lake. We are really enjoying it in Prince George as we seek to plug ourselves into the community of Prince George and our church community at Central Fellowship.

In all of this, we would love your prayer, as this is the greatest way you could support Halla and myself. Following is a list of several specific areas you could come along side us in prayer. We would appreciate it greatly.

- Work for Halla
 - We ask that you would pray for a work environment in which she enjoys, but, more importantly, can be Christ to those around her which is of great importance to us.
- Finances
 - As employees of Ness Lake Bible Camp we are expected to raise our own support. Since we are just starting out, prayer for a foundation of brothers and sisters who are willing to support us financially is extremely appreciated. Along with this, we ask for prayer for wisdom in the finances we currently have.
- Missionary Life
 - Pray for us as we navigate the ins and outs of missionary life. We are yearning to keep our focus and hearts on the Mission rather than our own desires.
- Married Life
 - We only recently got married in September of 2017. Jumping into the mission field and married life can be difficult. We ask for prayer as we grow together in Christ, keeping Him at the center.
- Ness Lake Bible Camp
 - There have been a few people who have found new opportunities outside of camp, leaving big shoes to fill. Prayer for God to bring willing hearts to serve would be greatly appreciated. Along with this, we ask for prayer in this off-season. We desire to utilize our facility as much as possible in the winter, and also prepare for the summer months ahead.

Thank you for the support you've already shown us, we appreciate it more than you could know.
