

NESS LAKE BIBLE CAMP DAYNA HAMILTON

Hello everyone! So if you haven't heard my big news yet I am going to start off by letting you know that...

I'M ENGAGED!!!!

In the middle of December Gabe proposed and of course I said YES! It has all been very exciting and I just can't wait until the big day! So far I am not stressed out and I am having lots of fun spending most of my free time on Pinterest, but I know that in time to come things will start to get hectic and I will become stressed! So please pray for Gabe and I over the next couple of months while we plan a wedding and for our marriage overall!

Anyways, as for camp, I am really loving it out here! I have been trained in lots over areas over the last couple of months and there is still some more training to come. I really love this aspect of my job because it allows me to be more independent and helps everyone out at camp. At the moment the most exciting training I've received was on the skid-steer. The Joe, head of maintenance, spend an afternoon instructing me and the other Year Round Crew on how to drive the machine. I must say that at first I was not thrilled to learn how to drive a skid-steer and was quite scared; however, in the end I really enjoyed it and always look forward to using it! This winter I also completed the Theology 101 class that I was taking through Prairie Bible College. It took

many long hard hours but in the end it was a great class and I sure learned a lot!

In other news camp has now hired on another Year Round Crew. At the end of December Josiah (one of the YRC) decided to leave his position to go back to college. We were without a fourth YRC for a month but in the beginning of February we hired on Levi who has now filled that fourth position.

At the beginning of February lots of the staff, including me, headed down to Chilliwack for a camping conference. The conference was a whole lot of fun and was also very informative! We learned lots on how to talk to kids and on how to make the overall experience of camp more enjoyable! While we were there we caught up with a lot of our sister camps and prayed for each other! The whole trip was really wonderful and I can't until the next time I am able to go.

Thank you so much everyone one for all your support, I am really looking forward to seeing what Gods plan is for my future at camp, haha and with Gabe! If you would like to support my ministry here at camp that would be extremely appreciated. If you would like to do so please see the YRC endorsement attachment on the next page or go to www.nlbc.bc.ca and click on the donated now button! Thank you for your time, hope to see you all soon!

A MINISTRY OF
one hope
CANADA 

It is with great enthusiasm that I write this letter of endorsement to you on behalf of Dayna Hamilton. As a member of our Year Round Crew, Dayna's primary role is to assist as and where needed around camp. This includes cleaning, hosting and facilitating rentals, and working on the physical property and maintenance needs. As a staff team, we have been greatly encouraged and supported by the Year Round Crew as they serve alongside us with enthusiasm and diligence here at NLBC. Dayna needs prayer support, financial support, and a group of people who are committed to encouraging her as she works to advance the Kingdom of God through Ness Lake Bible Camp. All donations to camp are tax deductible and we issue tax receipts in late January of each year. If you wish to financially support Dayna as she ministers here please use slip below, or call the camp office at (250) 612-4673. Thank you for your consideration, and support of Dayna. If you would like to support Dayna's ministry of NLBC please complete this form and return with your gift.

Elliott Harder-Director
